Why Are We Rebranding?

We've been considering this for almost a decade…

The NAIGC has come a long way since its inception and original naming and brand creation. We no longer only serve intercollegiate clubs, and have multiple decades of experience with our current name, acronym, and brand showing various shortcomings:

1. Our full name (National Association of Intercollegiate Gymnastics Clubs) no longer fully matches our purpose and activities given the growing portion of our membership that are not collegiate clubs.

2. The acronym (NAIGC) is a mouthful, hard for people to pronounce, and gets confused with other gymnastics organizations.

3. The look of our current logo and branding does not reflect our culture and values.

Without further ado...we present

We spent $124K more. Major increases include:

- $61K increase in Nationals venue expenses
- $30K on the rebrand you are seeing for United Club Gymnastics
- $11K in a new accounting firm. UCG now follows GAAP and has greater long-term operational sustainability.

THE SHORT VERSION

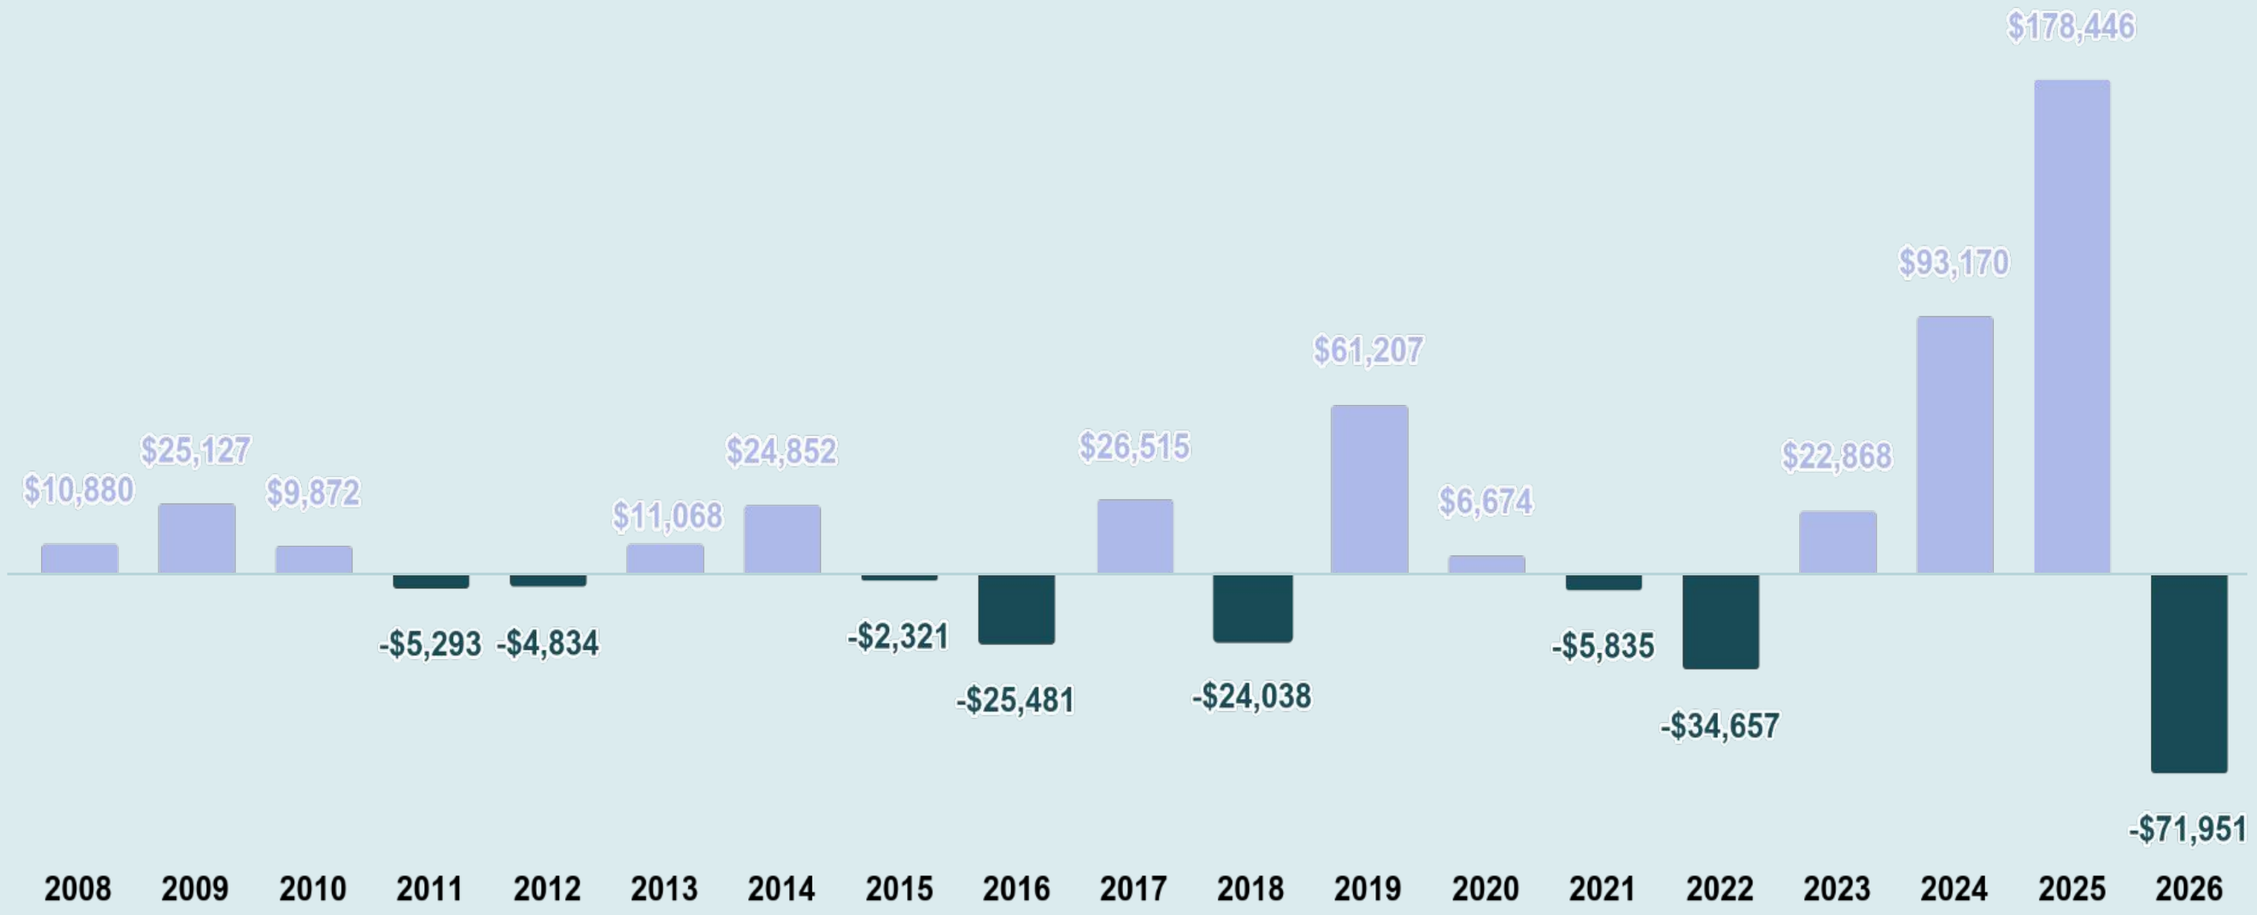

We chose to spend on a high quality Nationals, a new brand, and organizational sustainability.

We paid for it from reserves built over the last three strong years, and we ended the year financially sound.
