

Copyright Policy

Version 2.0 / Last Amended 08/19/2025

I. Purpose

A. The purpose of this document is to:

1. Clearly define all copyright rules which will apply to NAIGC materials.
2. Explain what effect these rules will have on other parties.

II. Materials

A. Logo and Motto

1. The NAIGC motto, "For the Love of the Sport", is trademarked (US Serial Number: 86573748 and US Registration Number: 5161684).
2. The NAIGC logo and motto may not be used or reproduced without the express permission of the NAIGC except as stipulated below.
3. The NAIGC logo and motto should not be modified in any way - wording, colors, fonts, aspect ratio, etc. should be unaltered. Acceptable logos and additional details can be found in the NAIGC Brand Manual Guide.
4. Member clubs have permission to use the NAIGC logo and motto, consistent with the NAIGC's Code of Conduct, under the following conditions:
 - a) Promotion of the NAIGC.
 - b) Promotion of the NAIGC member club.
 - c) Creation of meet-specific apparel for a meet hosted by the NAIGC member club.
5. NAIGC member club permission may be revoked by the NAIGC at any time.

B. Pictures and Videos

1. All pictures and videos owned by the NAIGC are available under the GNU General Public License 3 unless otherwise stated above.

C. If any pictures or videos owned by the NAIGC are reproduced in any form, then an image/video credit is required in the form of either a text citation or a hyperlink to the original NAIGC source.

D. Publicly Available Content

1. All printed material, website content, and wiki content is available under the GNU Free Documentation License 1.3 unless otherwise stated above.

E. Software

1. All software developed by the NAIGC is copyrighted to the NAIGC and ***not*** publicly available.

III. GNU Licenses

A. The GNU General Public License 3 is located at: <http://www.gnu.org/licenses/gpl.html>.

B. The GNU Free Documentation License 1.3 is located at: <http://www.gnu.org/licenses/fdl.html>.

IV. Special Licenses

A. A special license is any license that deviates from the guidelines laid out in the previous sections. The license must state what the deviations are.

- B. The Operations Leadership Team may grant special licenses for any material. Such special licenses must be approved by the NAIGC Board.
 - C. Any special licenses will be used in parallel to the existing licenses and will only apply to the approved entity of the special license.
 - D. Special licenses are not transferable.
 - E. Special licenses cannot be sublicensed.
- V. Amendments
- A. This document may be amended by the Operations Leadership Team.
