Friday, April 10th from 9am - 8pm

Session 4 – Regular Competition

Session 5 – Regular Competition

Session 6 – Regular Competition

Saturday, April 11th from 9am - 1pm

Finals Competition

Value-Driven Sponsorships

Underrepresented Athletes Scholarships Sponsors

In order to support diverse athletes in adult gymnastics, NAIGC offers three scholarships every year. Our First Year award is for an athlete in their first year of college. Our Underrepresented Athlete Scholarship (UAS) aims to reduce the barriers for athletes who are underrepresented in the sport to attend college and participate in gymnastics. Our Rainbow Scholarship is designed to support LGBTQ+ undergraduates who exemplify a passion for gymnastics and a commitment to creating inclusive spaces within the sport and beyond.

Sponsors are able to fund full or partial scholarships

The Impact

“During my nine years of gymnastics, there has been only one person of color on my team. The NAIGC challenges this disparity.”

“Gymnastics has seldom mirrored the richness of my ethnic identity. The lack of representation left me feeling like an outsider. I aspire to amplify the growing dialogue about diversity in gymnastics and utilize the NAIGC’s platforms to highlight the importance of representation in sports.”

“My favorite college memory is competing at NAIGC Nationals in 2022. I believe I really came into myself as a competitor and trust that I am where I am supposed to be.”
